The earliest building is the Cathedral which dates from the 12th to the 19th centuries. It has a fine Romanesque west doorway, a 13th century east window and a row of nine lancets in the south wall. Two effigies of ecclesiastical figures of late 13th to 14th century which were mounted on either side of the east window are on view in the South Transept. One of the two smaller churches is a fine example of late Romanesque and the other, Temple na Griffin, is a plain 15th century structure with an interesting carving of a wyvern on one of the windows.

Fastnet Rock Tour
From Baltimore & Schull, West Cork

West Cork Adventure

Fastnet Rock Tour
For generations the majestic and isolated Fastnet Rock (a Great Lighthouse of Ireland) has fired the imaginations of onlookers, both locals and visitors alike. The Fastnet was also known as Ireland’s Teardrop as it was the last part of Ireland seen by thousands of Irish emigrants as they sailed away to the New World, most of them never to return again.

The Fastnet Rock Tour is a day trip that brings you first to the Fastnet Exhibition and multi-media display in the Cape Clear & Fastnet Rock Heritage Centre on Cape Clear Island. This will allow time to see the Fastnet Rock Memorials on Cape Clear Island and to view the Rock from the Island itself. The tour later circumnavigates the rock to view it from all sides at close quarters.

Nestled in the charming village of Blarney is one of Cork’s greatest treasures. Built nearly 600 years ago, Blarney Castle is known the world over for the famous Blarney Stone that has been a must see attraction for any visitor to Ireland over the past 200 years! In 2006, the Discovery Channel listed kissing the Blarney Stone amongst its 99 things to do before you die!

The Blarney Stone is believed to be one half of the stone of Scone, which was given by Robert the Bruce to Cormac McCarthy in 1314 for his support in the Battle of Bannockburn. World statesmen, literary giants and legends of the silver screen have joined millions of pilgrims who climb the towers steps to kiss the stone every year in the hope to receive the ‘Gift of Eloquence’. However, in addition to the most famous stone in the world, the Blarney Castle estate also offers visitors the chance to stroll one of the country’s most spectacular gardens, enjoy a picnic by the lake or explore the Rock Close—a mystical place where majestic yew and oak trees grow around an ancient druidic settlement. Here, visitors will find an ancient Dolmen, a Druids Circle, a Witches Kitchen, Fairy Glade, Wishing Steps, Waterfall and much more. Spend a day exploring this enchanted and magical wonderland and get a real sense of Irish history!

The Estate gardens include extensive gardens and an Arboretum surrounding the Castle and House which extend around the Lake with acres of parkland filled with rare and unusual trees including many maples, southern beech and giant western red cedars. In Spring the grounds are carpeted with bulbs and the ‘Belgian beds,’ full of hybrid azaleas are in full flower. There are formal gardens around the house with manicured lawns, rose-beds, mixed shrub beds, which contain many rhododendrons. The House overlooks green pastures, where horses and cattle graze, to Blarney Lake. You may take a pleasant stroll around the lake and woodland walks. The fern garden has the atmosphere of a tropical jungle. The ruin of an old limekiln and a Victorian ‘Ice House’, are also in the grounds with a herbaceous border and numerous rare trees.
